

ROAD ACCIDENT ANALYSIS IN TAMILNADU DURING THE YEAR 2023 (Final Data)

1. Introduction

Road Safety is a safety measure that has to be followed at all times to reduce the accidents caused due to the mistakes of the operator of a vehicle, passengers and pedestrians. Road accidents are among the biggest causes of deaths in the country, especially among the people aged between 18 to 40. Prevention of road tragedies should be one of the major concern of the administration as it not only causes fatalities and injuries leaving many to deal with personal losses but also results in social costs to the Government. The accident data for the year 2023 is analyzed in this report.

2. Highlights

- ❖ The average fatality of the State per day is 50 during 2023 (F). 5.69% of fatalities in the State have occurred in Coimbatore District, 5.10% in Chengalpattu District, followed by 4.85% in Madurai District, 4.77% in Thiruppur, 4.34% in Salem District, 4.12% in Dindigul District, 3.98% in Thiruvallur District and 3.92% in Trichy District.
- ❖ During the year 2023, Total accidents and Fatalities shows a hike of 3108 and 463 respectively when compared with previous year 2022 .
- ❖ During the year 2023 (F), the highest number of accidents are caused by the two wheelers (45.38% of total accidents) and the four wheelers like Car / Jeep / Taxi /Van, Tempo, HMV (28.09% of total accidents) stands second.
- ❖ The maximum Fatalities are by two wheelers (44.22%) followed by four wheelers like Car / Jeep / Taxi /Van, Tempo, LMV (22.89%) and third by Goods carriages (Truck/Lorry/HMV) (14.73%). The maximum Fatalities are caused by two wheelers are due to non wearing of helmets.
- ❖ During the year 2023 (F), total accidents by the Truck/Lorry shows a hike of 20.51% when compared with previous year 2022.

- ❖ Similarly total deaths by the Truck/Lorry and two wheelers have increased by 19.87% and 6.39% respectively when compared with previous year 2022. Fatalities by Auto Rickshaw /Three Wheelers and Cars/Jeep/Taxi/Van, Tempo, LMV have declined by 7.54% and 5.39% respectively.
- ❖ During the year 2023(F), 29.90% of the deaths in Two Wheelers has occurred due to Non Wearing of Helmets. During the year 2022 death caused due to non wearing of helmet was 2477 which has been decreased to 2426 during 2023.
- ❖ Total deaths has been reduced by 5.61 % under National Highways State PWD when compared with previous year 2022. In State Highway, total fatalities shows a decline even though , total accidents shows a hike when compared with previous year 2022.
- ❖ The total accidents and total deaths according to type of roads shows decreasing trend in Village Roads by 11.62 and 10.53% respectively when compared with previous year 2022.
- ❖ During 2023 , the most number of accidents have occurred in State Highways (34.47%) followed by National Highways under NHAI (25.39%), District roads (18.72%) and Village roads (11.15%).
- ❖ More number of Deaths happened in State Highways (34.47%) followed by National Highways under NHAI (28.97%) during 2023 in Tamil Nadu.
- ❖ Out of 67213 Total Accidents, 64971 accidents were taken place due to the fault of the driver which is 96.66%. The major causes of the accidents are over speed, aggressive driving, use of Cell phones while driving, drunken driving etc.,
- ❖ Around 65477, driving licences were suspended upto the month of December 2023 for Traffic violation of six offences identified by Supreme Court Committee on Road Safety. The driving licences suspended for traffic violation, Red Light Jumping (28%) followed by Over Speeding and using mobile phone while driving (23%).

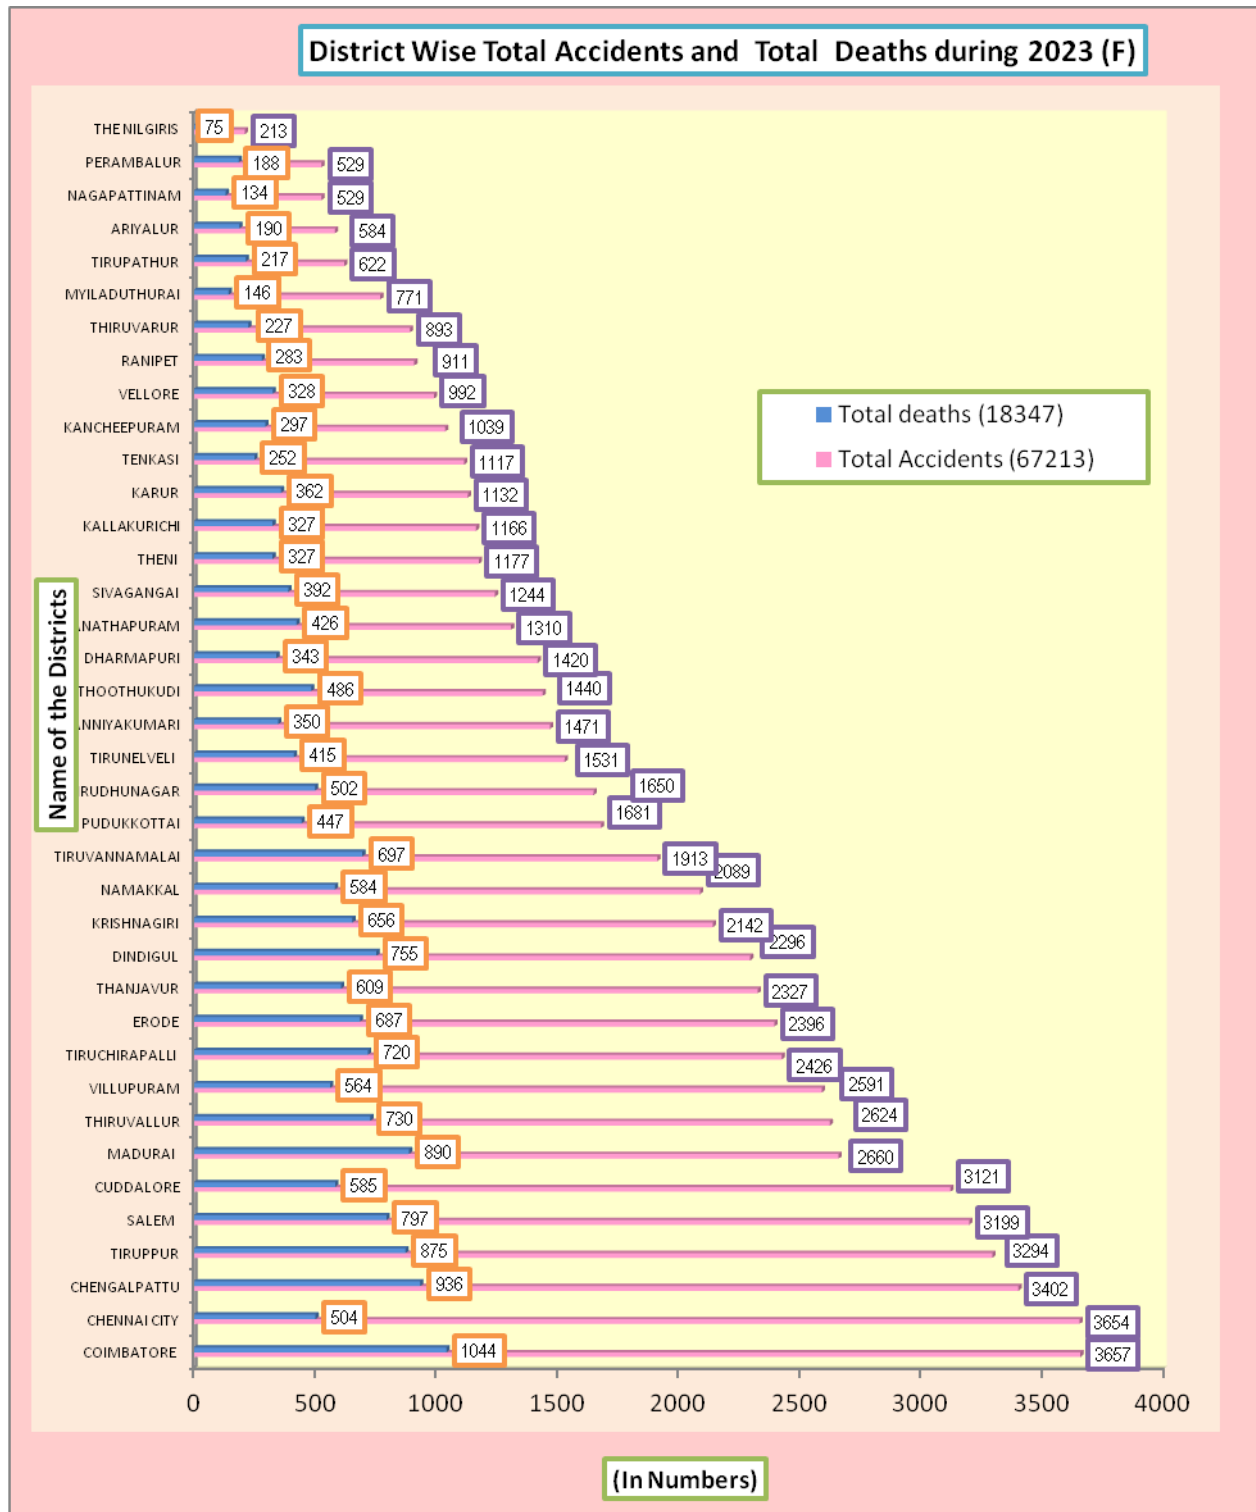

3. DISTRICT WISE REPORT FOR TOTAL ACCIDENTS AND TOTAL DEATHS
UPTO THE MONTH OF DECEMBER 2023(F)

Table-1

Sl. No.	Name of the District	Total Accidents (67213)	Total deaths (18347)

Chart-1

The above chart, shows the District Wise Total Accidents and Total Deaths during 2023 (F) , in which districts with more number of deaths (Fatalities) during 2023 (F) in decreasing order took place in the following districts Coimbatore (1044), Chengalpattu (936), Madurai (890), Tiruppur (875), Salem (797), Dindigul (755), Thiruvallur (730), Tiruchirapalli (720), Tiruvannamalai (697) and Erode (687) .

In The Nilgiris (75) less than 100 fatalities have occurred during 2023 (F).

The average fatality of the State per day is 50 during 2023 (F). 5.69% of fatalities in the State have occurred in Coimbatore District, 5.10% in Chengalpattu District, followed by 4.85% in Madurai District, 4.77% in Thiruppur, 4.34% in Salem District, 4.12% in Dindigul District, 3.98% in Thiruvallur District and 3.92% in Trichy District.

District wise Total Accidents during 2023 (F) in decreasing order, took place in the following districts Coimbatore (3657), Chennai city (3654), Chengalpattu (3402), Thiruppur (3294), Salem (3199), Cuddalore (3121), Madurai (2660), Thiruvallur (2624), Villupuram (2591), and Thiruchirapalli (2426).

4.The District Wise Minor/ Grievous Injuries Upto December 2023 (F)

Table-2

Sl. NO.	District/City	Grievously injured	Minorly injured

The above Table-5 shows the comparison of Total Accidents and Total Deaths between the years 2021(F), 2022(F) and 2023(F).

In which, Nagapattinam and Tirupathur districts shows reduction in Total Accidents for both the years when compared with 2022 and 2021. Cuddalore, Perambalur, Pudukkottai, Salem, The Nilgiris districts shows a reduction in Total accidents when compared with previous year 2022.

Also, Chennai city and Karur district shows a decline in Total Deaths (Fatalities) when compared with both the years 2022 and 2023. Chengalpattu, Coimbatore, Dharmapuri, Kancheepuram, Myiladuthurai, Perambalur, Pudukkottai, Salem, Sivagangai, Tenkasi, Theni, Tiruppur, Villupuram and Virudhunagar districts shows a decrease in fatalities when compared with previous year 2022.

Ariyalur, Dindigul, Erode, Kallakurichi, Kanniyakumari, Krishnagiri, Madurai, Namakkal, Ramanathapuram, Ranipet, Thanjavur, Thiruvallur, Thiruvarur, Thoothukudi, Tiruchirapalli, Tirunelveli, Tiruvannamalai and Vellore districts shows a hike in both Total Accidents and Total deaths when compared with both the previous years 2022 and 2021.

Chart-9

Around 65477, driving licences were suspended upto the month of December 2023 for Traffic violation of six offences identified by Supreme Court Committee on Road Safety. The driving licences suspended for traffic violation, Red Light Jumping (28%) followed by Over Speeding and using mobile phone while driving (23%).

14. Conclusion

In a bid to inculcate road safety and to spread awareness about traffic rules, the city police organized an awareness programme . Motorists travelling without seat belts were fined. At various junctions across the city, traffic police conducted awareness drives about wearing seat belts. People to read newspapers as there are many stories about road accidents that could have been avoided if people were wearing seat belts and following traffic rules.

“Government aim to make people realize the value of wearing seat belts and when they realize it, it becomes a habit. Then there won’t be a need to constantly remind them about road safety and traffic regulations.”

The Tamil Nadu Government of Action for Road Safety initiative encourages governments to develop programs to improve road user behavior through campaigns that increase awareness of road safety risks and the need for seatbelts and helmets and reduce drunk driving, speeding and other risky behaviors.

Road Safety Tips

- ❖ **Stay Alert** - Actively pay attention to your actions and those of the drivers around you when you are driving.
- ❖ **Avoid Assumptions** - Don't make the mistake of assuming that other drivers are going to do or what you think they should do.
- ❖ **Use Turn Signals** - While you can't depend on others always signaling their intentions when driving, you can certainly control whether or not they have realistic expectations for your actions. Always use your turn signals in advance of making a lane change or turning.
- ❖ **Buckle Up** - Wearing your seat belt is an essential safety tip for drivers. Not only are you more likely to get injured in an accident if you aren't wearing a seat belt, you can also be fined for failing to do so.
- ❖ **Follow Traffic Signals** - Pay close attention to and obey stop signs and traffic lights.
